This is the script for the 2020 West Michigan Student Showcase. It has been changed from how it would have been organized for the stage presentation to make it easier to locate information and sections have been created to make navigation easier.

Navigating this Document

You can use the bookmarks built into this PDF to navigate, or you can use the hyperlinks below to jump to different sections.

Digital Media Arts Nominees and Performing Arts Nominees are introduced as groups for each entry. Literary and Visual Arts Nominees are introduced individually. Academic and Athletic Honorees are not included in this script as their information is located in our program, which you can also find on our website at www.westmishowcase.org.

Each section will be in the order they would have been introduced on stage. You can use the Find feature (Ctrl+F) to search for a name or school in the document.
