

Beauty Divine

How beautiful is she?

Hope that when he is asked,

Answers with this-

She's beautiful like songs that move me to tears

beautiful like wisdom beyond her years

beautiful like the sun kissing the horizon

Beautiful like a singing love-fearing siren

Entrap me in her song,

Added to mine,

Co-conducting a symphony.

Beautiful in her eyes,

Chocolate sweeter than dyes.

Who am I to disguise

My love where it lies?

Under her breath

Far beyond death.

An artist's design,

A beauty divine.
