

The Choice

I wish it wasn't hard.
Hard to choose between the two.
They are so different but
I am compatible with both.
I wish they could get along.

But they can't.
So I have to choose.
Choose between the two.
So I chose between them
I chose the one I Love.

It was hard
But it had to be done.
To save them from the pain
And to free myself from the pain.
The pain of choosing between
The two.
